

Club Life

FATHER, MAY I? Stuart Edwards raises his right arm as a participant in a circle game FCA members played during their lunch meeting time. Rev. Dan Edwards and his wife Leslie led the FCA group and used the time with the students to discuss many issues important to teenagers today.

HAPPY HELPERS! Eddie Sims, Kori Ann Stausbaugh, and Will Hemlepp proudly display some of the many goods the Rotary Interact Club gathered for hurricane victims. This project was a great success as both lower and upper school students came together to contribute many items.
