

THE COACHES! Coaches Copeland, Stokes, Keels, and Robinson, alias Philip Wilkins, Kyle Stokes, Josh Walters, and Willy Pope, really get into their parts as they carry on a rather humorous conversation. These guys created much audience laughter as they good-naturedly poked fun at members of the coaching staff.

PARTING SHOTS ... The Drama students had loads of fun performing their original play, "Parting Shots," for the upper school students and teachers. All done in good fun, the many actors and actresses portrayed some of the teachers and administrators as the students perceive them.
