

# Dedication

## Mrs. Vickie B. Robinson

Vickie Robinson has been a part of the Richard Winn family for many years. Many students remember her as a wonderful third grade teacher. Others, however, remember Mrs. Robinson for French trips and "French projects" and as a cheerleading sponsor, class sponsor, and ardent athletic booster. As both a third grade teacher and a high school French and English teacher, Mrs. Robinson demonstrated her love for drama as she contributed to music programs, produced plays, and created her "parting shots." Mrs. Robinson's numerous contributions to life at Richard Winn have touched the lives of many students and faculty alike. Because we are grateful for her many years at RWA, the Aerie staff proudly dedicates the 2000 Aerie to Mrs. Vickie Robinson.
