READIN' WITH THE GOVERNOR

The five-year-old kindergarten visited the State House to read with the governor. Gov. Hodges gave both classes a copy of the Robert Frost book that he read aloud to them.

SHOEBOXES

Mrs. Ray's kindergarten made shoe boxes full of toys for needy children. These boxes were for Operation Christmas Child that distributes them to underprivileged children all over the world.

CIRCLE UP

Kindergarten students and teachers form a circle while square dancing. "The Farmer in the Dell" was one of their favorite dance tunes.
