#### FRIENDS

Sarah, Hope, Amelia, Zealy, Grayson, and Gracie pose for the camera. The fifth grade girls were a very close group this year.

#### GRAB YOUR PARTNER

First cousins Gen Palmer and Emily Matthews happily lock arms and swing as the square dance music plays. These fifth graders made the most of the entertaining evening as dance partners.

#### SCIENCE

Logan Lewis and the rest of the fifth grade decorate pine cones in science class. The students enjoyed the activities Mrs. Allen planned for them.
