"HYPER" HAZEN

Either Mrs. Hazen is really excited about the upcoming school year or has had a little too much caffeine to drink. Either way, she made a fun and energetic seat buddy for Mrs. Nicholson and Mrs. Allen at the annual corporation meeting.

LAST OF THE MOHICANS

Coach Keels keeps a little on top before having his head shaved completely. The championship win at the Hawaiian Tropic Tournament left both Coaches Keels and Weir bald, but gave them a chance to use the free sunscreen they had received.
