

RISING STARS!

LET'S THINK ABOUT IT!

Coaches call a timeout to plan their strategy during a home game. Coach Reid and Coach Rentz did a good job teaching basic skills to the many first year players.

ON THE MOVE!

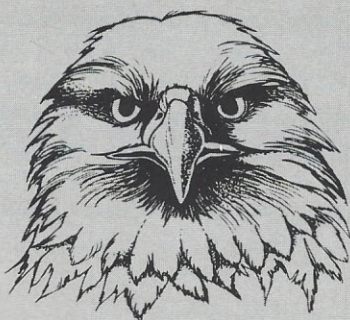

Sixth grader Lea Allen attempts to beat her defender in a game against Timmerman. The Junior High girls had some tough games against many bigger and more experienced opponents.

CROSSOVER!

Sallie Watford, only a seventh grader, takes her defender to the basket. Sallie's speed and dribbling skills helped her against the tough teams they played.
