

CHEERLEADING

GET EXCITED!

One of the favorite cheers of the fans and the squad is "Get Excited." Not only did the cheerleaders support the players during games, but also by making locker signs and providing candy for the players on game days.

DOUBLE TEAM

Senior Kristen Keroson and junior Lacy Harsey were always ready and willing to cheer on the football team. These two girls were veteran members of the varsity squad.

ALL SMILES!

Junior Lacy Harsey smiles for the camera as she cheers for the team. Lacy was very dedicated to the squad throughout the football season.

I HEARD IT THROUGH THE GRAPEVINE!

Junior Lindsay Kurtz and sophomore Jeni-Bruce Wilkes watch the game very closely while cheering. Both of these girls actively supported the players from the sidelines.

PERFECT FORM

The Booster Club membership drive was the first chance for the cheerleaders to show their new dance routine and cheers. They worked hard coordinating the music and movements to make an entertaining show.
