READY AND WAITING

Junior outfielder Zack McCorkle intently watches the pitch, waiting for an opportunity to make a play. Zack was used mainly for defensive purposes where he came up with a number of big plays.

CHAMPIONS!

The whole team poses with the trophy after winning their bracket in the Hawaiian Tropic Tourney. After a slow start in the preliminary rounds, the Eagles rallied together to capture the championship.

GOOD EYE!

Junior B.J. Mattox lets a pitch go by as he waits for the perfect one to rip. B.J. was a consistent hitter in the number four or five spot.

ON THE MOVE

"Speedy" Russ Pearson watches the pitcher as he prepares to steal second. Russ's speed was a valuable asset to the team as he racked up 23 stolen bases for the season.
