

# SPIRIT SOARS IN THE MALLINEUM

## IN DISGUISE

Freshman Jim Wagers sports his camouflage wear during Spirit Week 2000. Since many students love to hunt, Camouflage Day proved to have many participants.

## HATS OFF TO THE FIFTH GRADE

Many of the fifth graders participated in Hat and Sunglass day. Since hats are not allowed to be worn in the building during school hours, this was a very popular day.

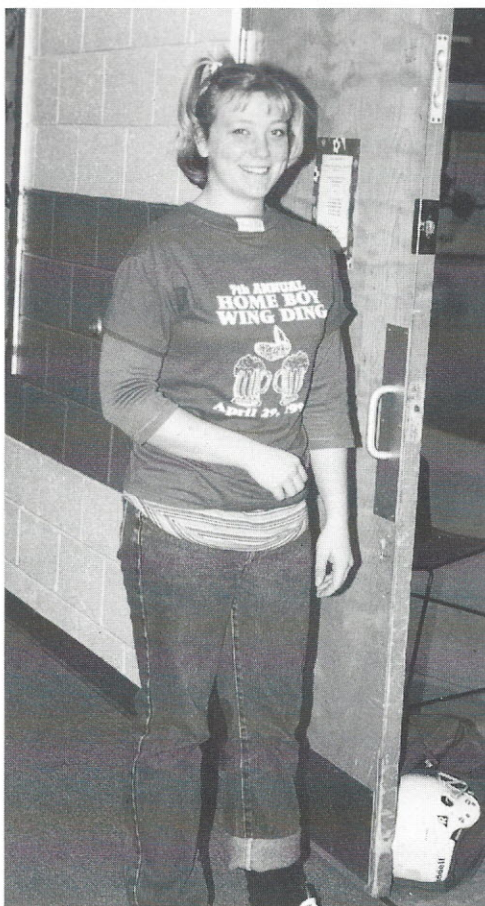

## ALL SMILES

Sophomore Meredith Lyles and Brittany Foster take time away from lunch to show off their sunglasses and hat. Spirit Week was an enjoyable break from the usual school dress code.

## INSIDE OUT AND BACKWARDS

Senior Jennifer Dove demonstrates her spirit by humoring RWA students and faculty with her tacky costume. Jennifer was an ardent participant in the festivities.

## WRECKING CREW

Football players Ward Coleman, Cory Shirley, and Kevin McDaniel stand on the wrecked car at the bonfire. The 2000 Bon Fire helped to pump up the team for the victorious homecoming game.
