

#### CONTRAK BUDDIES!

Lewis Frazier and Tripp Cameron "chill" on the train as they await their arrival to Washington. Listening to music was a good way to pass the time.

#### COLEMAN CLAN

Mrs. Alice Coleman and daughter Allison pose for a picture in front of the White House. This was a popular picture-taking spot.

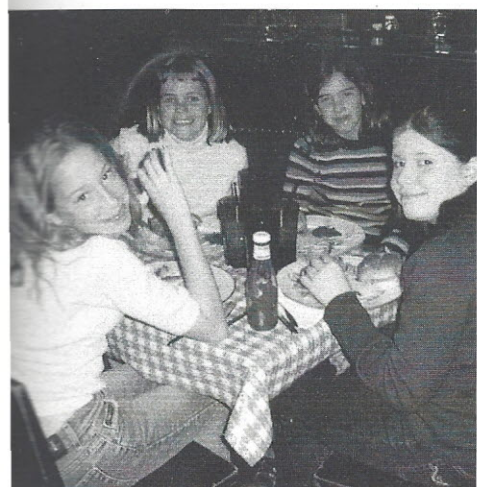

#### GROUP GATHERING

The seventh graders gather with the chaperones to take one last group picture together at Mt. Vernon before they head back to the 'boro. George Washington's home was one of the favorite stops of the D.C. area tour.

#### EVERYBODY GET YOUR GRUB ON!

Casey Smith, Jill Wagers, Lewis Frazier, and Meagan O'Donnell halt their eating to take a quick picture. Although Washington's food was good, "it ain't got nuttin' on our grits!!!"
