

#### MEMORABLE MOVIE CHARACTERS

The fourth graders enjoy re-enacting various parts and singing the well-known music of some classic movies of the past. The characters and songs included were from the *Sound of Music*, *Westward Ho the Wagons*, *Davy Crocket*, *Mary Poppins*, and *The Wizard of Oz*.

#### WE ARE THANKFUL

As tradition goes, each year the second graders perform a Thanksgiving program for parents and other relatives. These youngsters learned many Thanksgiving songs and enjoyed dressing the parts of Pilgrims and Indians.

#### RED, WHITE, AND BLUE FLYING HIGH

To conclude their patriotic program, the fifth graders proudly sing and wave American flags. After a year long study of our nation's rich heritage, it was only natural that these students were eager to sing with enthusiasm.

#### SOLO SONGBIRD

Sarah Brown, a fifth grader, stands proud and tall to deliver the soft notes of *God Bless America*. Sarah was chosen for the solo part because of her gifted voice and love of music.
