

THE TASSEL'S WORTH THE HASSLE

A HELPING HAND

Lacey Feaster gives some assistance to Shelley Ramsey as they prepare for the Baccalaureate service. Since the hats aren't the most flattering to wear, it helped to have a friend nearby to make adjustments.

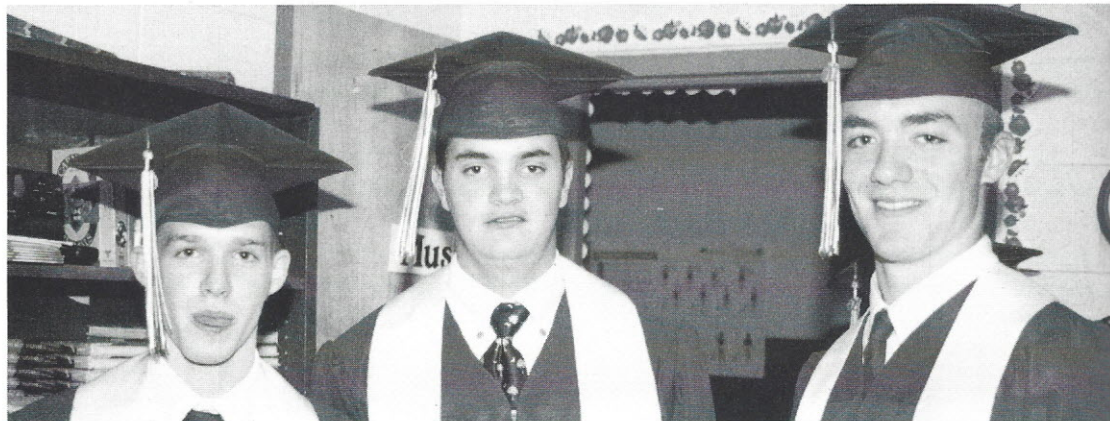

HEAD OF THE CLASS

Valedictorian Matt Gilreath delivers his speech on "success." Matt was one of the many graduates who received awards and college scholarships.

ANCHORS AWAY

Michael Lippert proudly receives his appointment to the US Naval Academy from Captain Dick. Michael worked hard to achieve his dream of attending the Naval Academy.

THE WHITE OAK GANG

These three graduates take a break from their hectic WO Conference Center work schedules to enjoy a memorable graduation night. Edmund, Gill, and J.D. have been classmates and friends for a number of years.

"RICHARD WINN'S IDEALS UPHOLD"

Mr. Taylor, Ms. Reid, and Chairman McMeekin proudly sing the Alma Mater. Following this, the benediction closed the 2001 Commencement exercises as the 23 new grads closed out one chapter of their lives, only to open a new one as they leave RWA.
