

From the early days  
when you first crawled  
out of your basket...

to the wonderful times  
we had with Mickey  
and his friends...

to the white sandy  
beaches of St. John  
and Cancun...

I just want to tell you  
how much I have en-  
joyed our time together  
and how proud I am with  
all that you have accom-  
plished through the  
years. The best is still yet  
to come...GO TIGERS!!!  
Best of luck at Clemson.  
Dad
