

DEDICATION

MRS. MARY JANE WRIGHT

Witty, dedicated, loyal, artistic, caring, and hard-working are just a few adjectives that describe our beloved teacher, Mary Jane Wright. She has become a mainstay of the Richard Winn Academy family since her first year on staff in 1973. As both a first and second grade teacher over her 27 year teaching career at RWA, she has molded the minds and influenced the lives of over 500 youngsters, several of whom are second generation RWA students. It is most fitting that she is named as the 2001 Lower School Teacher of the Year, and we regretfully say "good-bye" but send our love and best wishes for a happy retirement. It is with great pleasure that the Aerie staff proudly dedicates this 2001 Aerie to ~ Mrs. Mary Jane Wright.
