

Lady Eagles Believe That... **THERE'S NO PLACE LIKE HOME... PLATE!**

SAY CHEESE!

Junior Meredyth Lyles and sophomore Brittini Anderson take a time out to pose for a picture. These two girls gained valuable fast pitch softball experience this season and will hopefully build on that experience for next season.

READY OR NOT, HERE IT COMES!

Pitcher Brittany Foster is all business when it comes to throwing strikes across the plate to her opponents. Brittany's versatility as a pitcher, catcher, and shortstop made her a great asset to the team throughout the season.

THE HURLER...

Senior Cassidy Cooper fires a fast pitch ball. Cassidy not only filled in from the pitcher's mound when needed, but she also anchored down third base when not pitching.

THREE UP, THREE DOWN!

The Eagle outfield, Ashley, Ruthie, and Lewis, break from a huddle after a quick meeting in centerfield. At the beginning of each defensive inning, the outfielders answered the infield's shout "three up" with "three down."

SWING BATTER!

Sophomore Brttany Melvin hits a pit delivered from a region rival B Lippen pitcher. Brittany's athletic and coachability earned her the M honors at the season's end.
