UP AND AWAY!!!

Martin Caulder, a seventh grader, soars high with his shot attempt over the hands of the Cardinal Newman defender. Although our boys were smaller in size than most of their opponents, their desire to improve and win were unbeatable.

NOTHING BUT NET

Thomas DeLancey steps up to the line to add two points to the scoreboard. As the season progressed, the team began to jell and show improvement.

SET IT UP, GUYS

Seventh grader William Ladd patiently waits for his team to set up to run the next play. William worked hard to be a team player and leader on the court.

HUDDLE UP!

The junior high boys gather around Coach Rentz as he gives them the next game plan. Under the direction of Coach Rentz, the boys had a good season and a good learning experience.
