# FIELD OF DREAMS

## IT'S ALL IN THE FORM!

Sub-freshman Tripp Cameron quickly catches a fly ball and makes the throw to first for a double play. Tripp started third base and contributed greatly to the JV team's success.

## STRETCH AND CATCH

Seventh grade William Ladd hustles to reach the ball for the fly out. William's speed and athleticism allowed him to earn a starting position in left field.

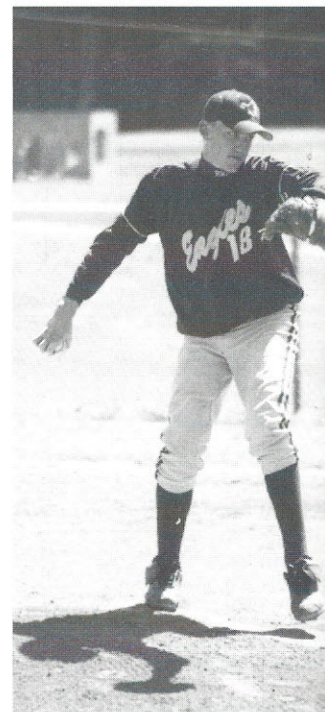

## FIRING IT DOWN TO FIRST

Martin Caulder, a seventh grader, fields and hurls the ball over to first base for an out. In spite of his youth, Martin's good fundamental skills helped him see lots of action from the shortstop position for the JV Eagles.

## GOT TO HAVE TEAMWORK!

In order to make great plays you must have great teamwork. These three players, Taylor Bell, Martin Caulder, and Daniel Porter, helped each other out by knowing the game and playing as one.

## BRINGING THE HEAT...

Sophomore Roe Coleman goes through his wind up as he focuses on the strike zone. Roe not only has action on the mound but at the shortstop position as well.
