EYE ON THE BALL!

Eleventh grader Daniel Porter gets ready to rip it deep. Hard work and determination helped Daniel through the season to become a well-rounded baseball player.

HE'S OUT AND YOU KNOW IT, MR. UMPI! Ninth grade shortstop and pitcher Wade Coleman tags an Indian Land player out with time to spare. Wade was not only valuable defensively but also on offense as he led the team in homeruns.

SCRAMBLING FOR THE OUT

Kyle "Dewey" McDaniel scrambles from the catcher position to get down a good throw to first base to catch the opposing runner. Kyle's size and arm strength were major factors in his hitting and throwing skills.
