

Homecoming Week is a Fun Way to Show That You've...

GOT SPIRIT!

BLUE AND GOLD

Senior "D" Dixon showed his school spirit on Friday of the homecoming game. Everyone supported the Eagles by wearing blue and gold.

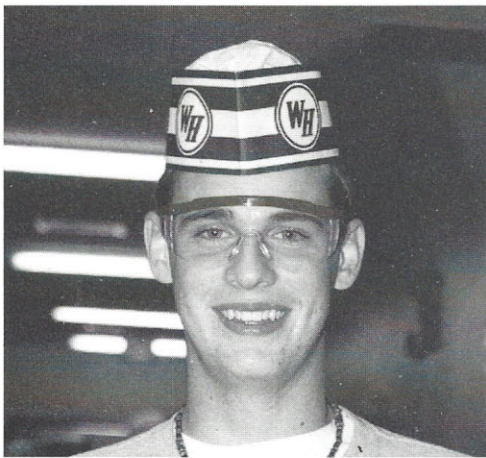

GET FIRED UP!

Senior Chris Kinard gets pumped up at the bonfire. Students come to this annual event the night before the homecoming game to get "fired up" for the main event.

CAN YOU DIG IT?

Third grader Brooke Smith digs while her classmates watch. With assistance from Mr. Mark Talbert, the lower school planted several crops at the lower school entrance. They later feasted on their home-grown crops.

SAUSAGE OR BACON?

Junior Smith Harden stops for a quick picture during break. Hat and Sunglasses Day is another way to show Eagle spirit during spirit week.
