

RIDING IN STYLE

The Homecoming winners traditionally have the luxury of riding around the field in a nice car. Morgan not only won Homecoming Queen, but Sweetheart as well and was a solo passenger.

BEST FOOT FORWARD

This group of men from the local National Guard presented the American and state flags before the game. Ever since our nation's Sept. 11 tragedy, everyone has pulled together to show their patriotic spirit.

WAITING FOR THE ANNOUNCEMENT...

Mrs. Reid, last year's winners, and the young crown bearers eagerly await for the winners to be announced. Despite the chilly temperature, no one's homecoming spirit was ruined.

LOOKING FORWARD...

Ashley Mills and Brittany Foster look down the field as the next sponsor is presented with her escort. All the homecoming participants enjoyed taking part in the week-long homecoming festivities.

FRIENDS FOREVER...

Morgan and Kristen embrace as Morgan is crowned Homecoming Queen. These two have been good friends for a long time, and this was truly a special moment for them both.
