### CHRISTMAS FAVORITES

Fourth graders Buchanan Coleman and Michael Sanders had the honor of portraying classic Christmas characters. Everyone who dressed up as a Christmas character played his or her part with lots of holiday spirit.

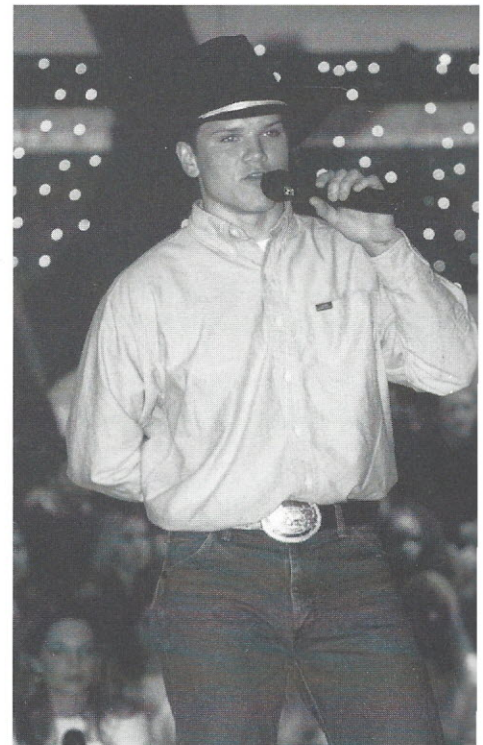

### SINGING FROM THE HEART

Katie McFadden's beautiful singing voice always captures the audience's attention. This was Katie's second year singing a solo part in the annual Christmas program.

### AL - VINI

Seniors Chris Kinard, Michael Smith, and Cory Shirley sing the chipmunks' Christmas song in high-pitched voices. This was a new song performed during the annual Christmas program, and it seemed to put a big smile on everyone's face.

### THE NEXT BIG THING

Since George Strait was unavailable to sing his famous Christmas song, "Merry Christmas Straight To You", Robbie Huey and Katie McFadden filled in. This dynamic duo got the attention of the audience just as if George himself had performed.
