

Students of All Ages Send Wishes for a... MERRY CHRISTMAS STRAIGHT TO YOU!

AWAY IN A MANGER

As always, the younger students put on a very good show for the adults and the older kids. They reminded the audience of baby Jesus's birth, the real reason for celebrating the Christmas holidays.

THE LITTIEST ANGELS

Sydney Millis and Katie Smith are two of the angels in the 2001 edition of the annual Christmas program. The younger children put on another very good rendition of the Bethlehem manger scene.

DIESEL CLAUS!

Senior Justin Swearingen makes his debut as Santa Claus for the program. When he appeared, the words to the song changed from "Santa" to "Diesel Claus."

SINGING AS ONE

The upper school joins in as Mrs. Nick plays to bring cheer to the Christmas program. Many talented students and dedicated teachers had big roles in putting this wonderful program together.
