

Prom 2002 Is A Magical Evening Of Glamor & Glitter As The Class of 2003 Presents...

WONDERFUL TONIGHT

NEVER SAY GOODBYE

Josh Allen and his date Ruthie Phillips share a dance together. All the slow songs gave the couples a chance to slow the pace and enjoy the evening.

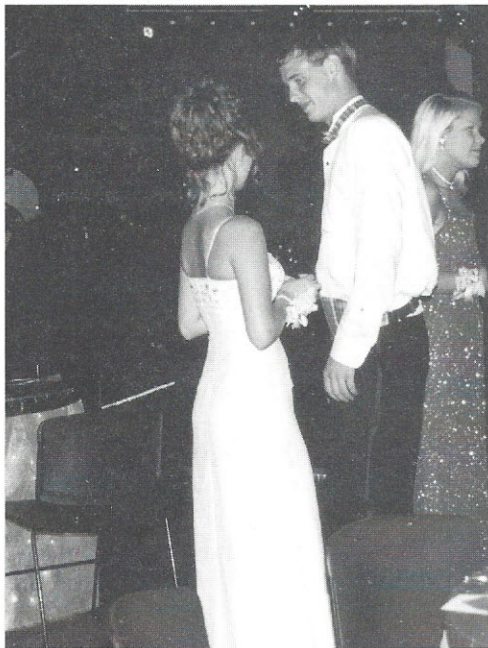

I HOPE YOU DANCE

All of the 2002 prom couples get on the dance floor and share this special time. This event was one that the students will look back on forever.

Y-M-C-A

The students become very energetic doing the Y-M-C-A. This was one song where most everyone got out on the floor to sing, dance, and do the letter motions.

TAKIN' A BREAK

Junior Smith Harden and his date Jessica Campbell from Florence relax and take a break from the dance floor. After working hard to decorate almost non-stop over the week prior to the prom, many of the juniors were glad to be able to relax and enjoy the long awaited evening.
