

RWA's Lower School Students...

LIFT EVERY VOICE

ANIMAL FARM

The kindergartners enthusiastically show off their different animal puppets. Many parents and grandparents came to watch and be a part of this memorable event.

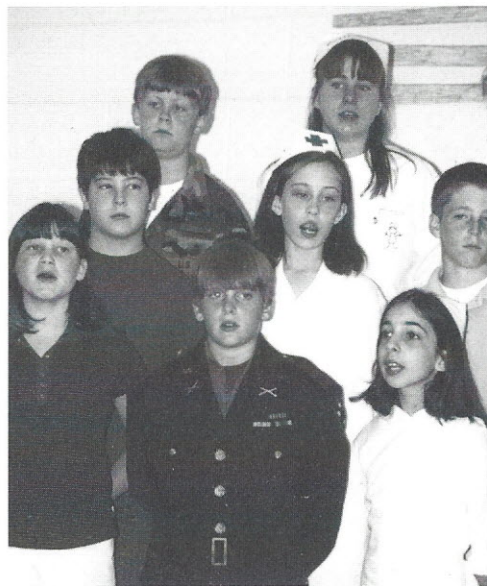

UNITED WE STAND

Fifth graders Rachel Matthews and Carolina Wright stand together as they sing "America the Beautiful". These soloists sang beautifully and gave a whole new meaning to the song.

AMERICAN PRIDE

At the beginning of their program Andy Taylor marches in carrying the American flag. This was a great way to start their exciting and patriotic program.

THIS IS MY COUNTRY

Jim Frazier stands with his classmates as they sing "This is My Country." The fifth grade really worked hard and showed a great deal of American pride.

GIVING THANKS

Second grader McNair Coleman enthusiastically recites his lines during the opening of their Thanksgiving program. Thanks to McNair and his classmates, we enjoyed hearing a lot of great facts and music about Thanksgiving Day.
