

ALL SMILES

These seniors break out in smiles and laughter at some of the things Lacy says in her class history talk. Many of the grads found it very amusing as Lacy recalled some incidents of their younger years.

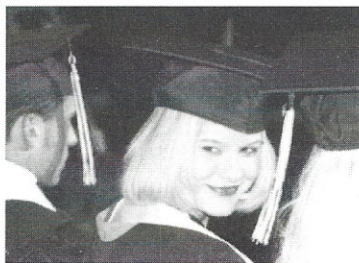

IT'S OFFICIAL

The Class of 2002 follows as Class President Mac Caldwell directs the graduates in moving their tassels. This marks the official change from students to alumni.

THANKS!

The RWA faculty stands as Student Body President Berry Mattox recognizes them for the instrumental part they have played in educating the seniors. Instead of singling out one teacher of the year, all teachers were thanked and honored.

SNEAKING A PEAK

Brandi Mattox glances over her shoulder at family members in the audience. Brandi's excitement over the event just couldn't be contained.

CAUGHT BY THE CAMERA

Nicole Collins' smile is captured on film as she celebrates becoming a high school graduate. This was definitely a happy occasion for the grads and their family and friends.

MEMORABLE MOMENT

Cory Shirley gets a congratulatory handshake from Mr. George Taylor upon receiving his diploma. This was certainly a time of celebration and joy not only for Cory but for the entire graduating class.

PROUD PARENT

Mr. Bill Berzley happily hands a Richard Winn diploma to his daughter Naomi. RWA alumni parents have been given the privilege of presenting the diploma to their graduating son or daughter.
