

On June 30, 1984
God blessed us once more.
Through everything you have done
You are one great son!
School, soccer, and football
We have learned to love it all.

When you go off, there will be tears
But thank you for the last 18 years.
We know you must go
We will just miss you so.
Your kindness and smile
Will take you many a mile.

Laugh, love, and live
You have so much to give.
When your day is done
Please take care, my son.
Our hearts go with you
And all our love, too.

We love you! Mom and Dad
