QUALITY LASTS.

*A continued commitment to
our community since 1898.*

At Bank of Ridgeway, we've been committed to this community for over 100 years. Continuity and stability are important qualities in a financial institution, and that's why we've rededicated ourselves to being your local, independent bank.

We offer virtually every service you want, but we offer things that every bank customer should be able to take for granted, such as being greeted by name with a smile.

We invite you to bring your banking home to Bank of Ridgeway...the bank that's called this area of the state "home" since way back in 1898.
