

•THE GOOD OLE BOYS•

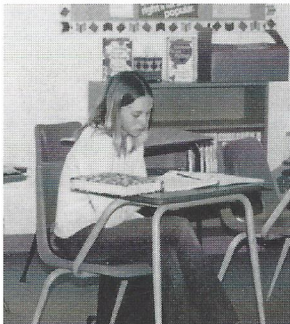

Stephen, Justin, Jake, Joshua, Gen, and Noah take a break from Farmer Day to eat lunch. These guys had a great time dressing up for Spirit Week.

•SIGNIN' THE PLEDGE•

Carol Slater signs the Eagle Code banner at an assembly during the first week back at school. By signing it, she agreed to uphold the high standards of Richard Winn.

IT'S A P.J. PARTY: Hope Coleman gets caught in her pajamas before the annual bonfire. The class worked hard to show their school spirit during spirit week.

STUDYING HARD: Kasey Parris studies hard to do well in school. Though Kasey played JV Volleyball and JV Softball, she never let it get in the way of her studying.

BACK TO REALITY: Zealy Stevenson, decked out in her camo-wear, heads down the hall to her next class. Even though the dress-up days were a fun distraction, the school work didn't let up.

STICK'EM UP: Dressed as a RE Lee Cavalier, Billy Smith braces for a "bullet" from the Eagle Mascot. The class chose to show live action to express their homecoming spirit.

HANDS ON LEARNING: Grayson, Hope, Kasey, and Meagan use their creativity to make up a cheer about DNA. This Life Science project got the whole class involved in learning about mitosis and meiosis.
