Jr. High Teams Gain Experience

• TAKIN' IT TO THE HOOP •

Seventh grader Zealy Stevenson speeds past her defender while heading toward the basket. Zealy's speed and dribbling skills helped her against the tough teams they played.

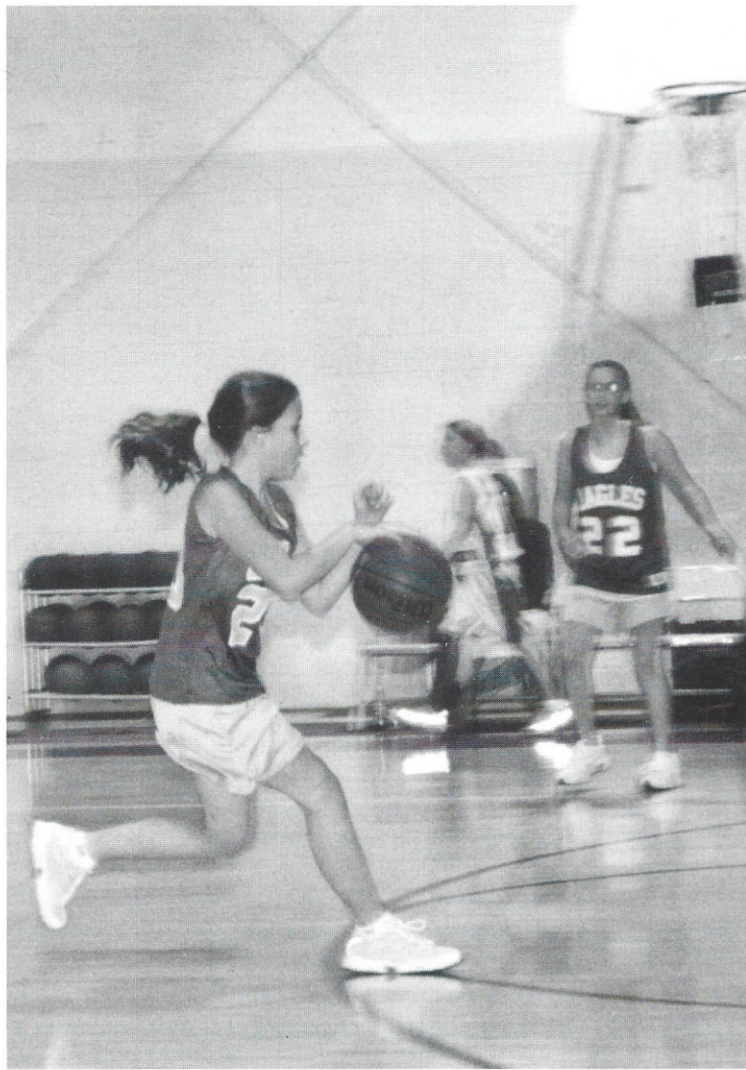

• SETTIN' THE TRAP •

Lauren Pendergrass and Ashley Smith, only sixth graders, put the clamps down on defense. Lauren and Ashley worked well together on defense throughout the season.

• ON THE MOVE •

Jenna Burroughs takes charge and brings the ball down the court. The junior high girls had a tough season, but earned valuable time on the floor.
