• WHAT AN ARM •

Freshman ace Taylor Bell hurls the ball from the mound toward the strike zone. Taylor proved to have great ability at throwing as he led the team in wins from the mound.

• SAY HEY...LIKE I SAID •

Coach Sink takes advantage of the opponent's pitching change to use the time to discuss game strategy with the next batter, ninth grader Ryan Douglass. When Ryan wasn't moved up to play with the varsity team, he anchored the catching position for the J.V. Eagles.

• TURNIN' IT ON •

Team captain William Ladd, an eighth grader, makes the turn around third base and heads toward home plate as his teammate advances him with a ball hit to right field. William's speed and baseball skills earned him some game time at the varsity level as well.
