

BASEBALL

Diamonds Are Forever

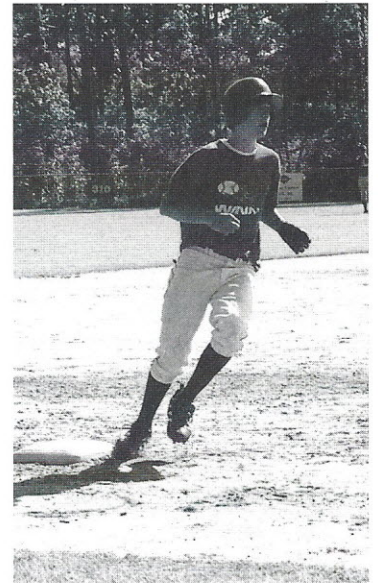

• CHECKIN' THE RUNNER •

Pitcher Taylor Bell throws to first baseman Brenton Lyles in an attempt to pick off the Cardinal Newman runner. Taylor's quick move to Brenton's glove target often forced the opponent to lunge or scramble back to first.

• HOMEWARD BOUND •

Freshman Tripp Cameron slows his pace to a trot as he tags third base and checks out the action at home plate. Tripp's athleticism made him an offensive threat at the plate and a defensive asset at third base.

• READY TO RUN •

Sophomore Ry Foster puts the ball into play as he makes contact on the pitch from the Fairfield Central pitcher. Ry and his teammates and coaches were excited to post this first game of the season in the win column.

• RUN, MARTIN, RUN •

Assistant Coach Oates gives Martin the go-ahead signal and sends him home in game one against the J.V. Griffins. Martin's bat came alive this season as he led the team with the highest batting average and earned the Most Improved Award.
