## In It to Win It!

### • DOWN THE COURT •

Spanky Speagle, a junior point guard, brings the ball down the court while being guarded by a King opponent. Spanky's size never altered his aggressive style of play.

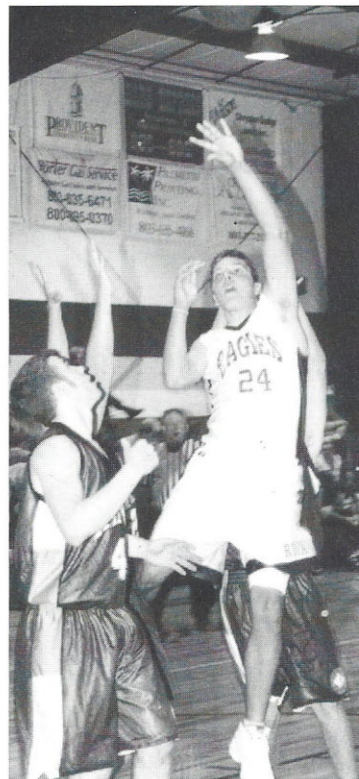

### • UP AND AWAY •

Senior point guard Robert Mason shoots over his Calhoun opponent. Robert was a consistent outside shooter and team leader on the court.

### • DRIBBLE DRIBBLE •

Sophomore Ry Foster dribbles his way through Cardinal Newman's defense. Even though this was Ry's first year on varsity, he was very dedicated to the team and worked hard to contribute.

### • WHAT FORM •

Roe Coleman, a junior guard, aims, shoots, and scores a basket for the Eagles against Calhoun. With a year of varsity experience under his belt, Roe stepped up to fill a starting role position.

### • HE SHOOTS, HE SCORES! •

#24, Jim Wagers, powers his way in to put up a shot over a King Academy player. Jim's height and left-handed shooting made him difficult to defend.

### • AND ONE! •

Brenton Lyles lines up on the free throw line hoping to add points to the score. Because of Brenton's size and skill level, he was moved up from JV in the middle of the season.
