

VOLLEYBALL

Varsity Team Tops Region 4-AA

• INTIMIDATION AT THE NET •

Lisa Stevenson, a sophomore middle blocker, towers above the net to block the Williamsburg player's hit. Lisa's height and natural volleyball skills made her an intimidating force at the net.

• RECEIVING THE SERVE •

Sr. Brittany Smith receives the serve and passes forward toward the net for Brittany Melvin to set. Brittini's skills improved throughout the season and earned her a starting position.

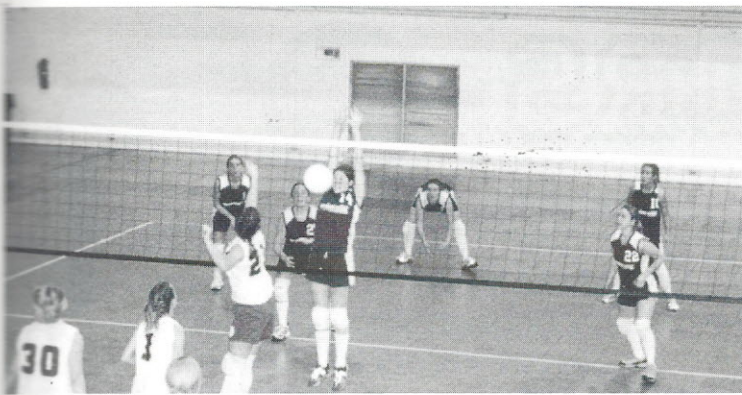

• SPIKIN' IT •

First year player Lindsay Parris hits the ball down to score a kill and point for the team. Lindsay's athleticism made her a quick and easy fit on the varsity team.

• SERVIN' IT UP •

Jr. Lindsey Hamilton serves one of her patented "bullets" over the net. Opponents found Lindsey's hard, low serves very difficult to return.

• AH...ACE! •

Stomp, stomp, clap, clap are familiar sounds following a service ace. The team enjoyed these times of celebration to congratulate the successful server for the point earned.

• FOCUSED •

Setter Brittany Melvin, a junior veteran player, takes her court responsibility seriously as she put the ball into play. Brittany's dedication, natural athleticism, and hard work earned her the MVP award.
