A SNAKEY SURPRISE

Junior golfer Kyle Brazell finds more than a golf ball inside the number one hole cup. Once Kyle got over the initial shock, he found the dead copperhead to be an amusing prank.

Seventh grader Brandon Truesdale prepares to send a ball sailing off the number one tee box. Despite his young age, Brandon was a solid and consistent member of the team and earned the Medalist and All-Region awards.

• CHIPPIN AWAY •
Senior Smith Harden chips the ball onto the green from the number one fairway. Smith easily adapted from the soccer ball to the golf ball due to his overall athleticism.
