

• BUSTIN' THROUGH •

Junior Ruthie Phillips breaks through the Hurricane defense in hopes of scoring a touchdown. The Twisters' incredible offense brought them to a much celebrated victory.

• IS THAT BRETT FAVRE? •

The Hurricane quarterback, Lea Allen, gains several yards as she heads down the field. Lea's effort on the field reflected her eagerness to play and her love for the game.

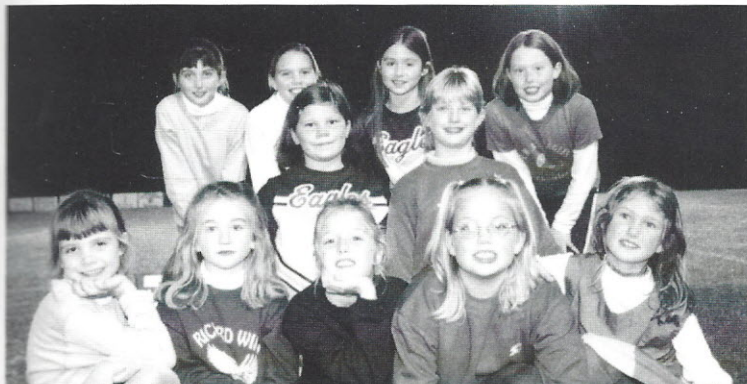

• WAY TO GO, GIRLS •

The Twister girls run in to give each other a pat on the back for a job well done. Both teams played a tough game while having tons of fun.

• ALL TRIPPED UP •

The senior girls purposely stumble to the ground at the beginning of the game to add a little more entertainment to the evening. The '03 girls' humor and unity will be greatly missed next year.
