

What did you enjoy most about Spirit Week?

Marion Walker Coleman

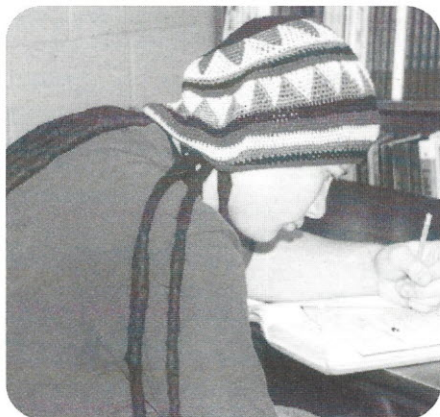

"I liked Hat Day. I liked my "Cat Hat."

Like Marion Walker, many students wore favorite and unique hats of all shapes and sizes.

Lea M. Allen

"I really enjoyed working on our class mascot. I feel it brought our class closer together because we all worked as a team." Because the Class of 2007 worked as a group, they won the Most Spirited Class award for the week.

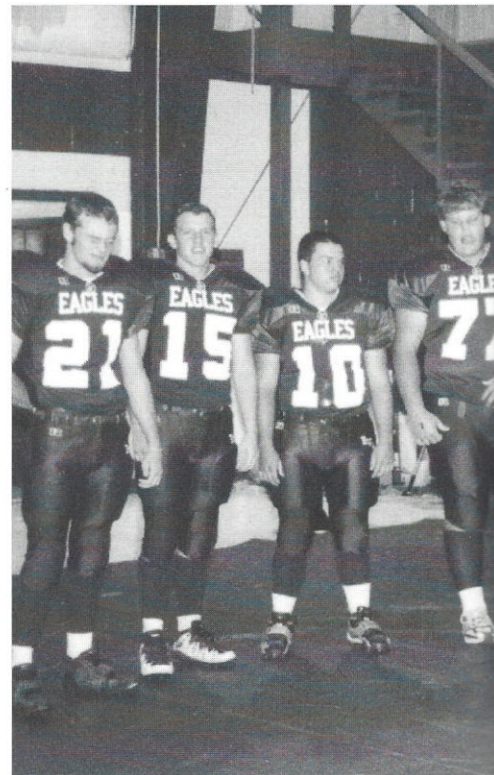

Tommy Swearingen

"I liked Hat Day because I got to wear my Bob Marley hat. I was the only one in the whole school with one like it. It was so cool." Like Tommy, many other students wanted to stand out during Spirit Week. Their spirit resulted in attire that was unforgettable.

Allison Coleman

"I enjoyed Camo Day because it was fun to wear something different from the usual clothes we wear. We could also show our spirit by dressing up." An all time favorite, Camouflage Day appealed to all students, especially those who are genuine hunters.

• YOU BEEN FARMING LONG? •

Coach Jack Sink is ready for a day of manual labor "out on the farm." Obviously, the students weren't the only ones that got in on the Farmer Day fun.
