

2003 PROM

A Moment Like This

• HARD AT WORK •

Juniors Meredith Brown and Lindsey Hamilton add some finishing touches to the prom decorations with some help from friends. The junior class worked day and night to create the perfect prom experience for the graduating seniors.

• BUSTING A MOVE •

The dance floor quickly crowds as the Electric Slide plays in the background and all hit the floor. With carefree attitudes, everyone danced the night away, losing themselves in the prom's atmosphere.

• ON BENDED KNEE •

The gym went silent as Joel nervously popped the question to a tearful, but excited, Joanne Cooper. With a proposal like that, who could say no?

• WHAT A PAIR •

Mrs. Phyllis Tant and husband Reesy grace the dance floor while Kyle Byrd and Jill Wagers watch with admiration. Mrs. Tant is not only a presence in the classroom, but a friend to all she teaches.
