• THE MENUETTE •

These fourth grade cooks perform a song and dance routine entitled "Menuette" to one of Beethoven's sonatas. The students did a musical play about a dream following a day in the life of fictional character, Jessica Pierce, played by Katherine Matthews.

• A SEASON OF THANKSGIVING •

Little second grade Pilgrims and Indians join in songs of thanksgiving. As tradition has it, each year the second grade class learns about the tough times experienced by those first settlers of long ago and why we should be thankful.
