

• PILE ON! •

Sub-Freshmen Lea Allen and Blythe Douglas “feel the hurt” at the bottom of the pile. The excitement away from the classroom setting was too hard to contain.

• HOOPS OF FUN •

Fourth grader Jessica Yongue shows off her ability to Hula Hoop five rings at once. Hula hooping was one of the favorite events, especially among the “Yongue” girls.

• TUG AND PULL •

The sixth graders try to pull Martin Caulder and his classmates across the “battle line.” Teamwork was the key for classes who participated in Tug-of-War.

• GIVE ME A BREAK! •

Classmates Sarah Coleman and Anna Cooke take time off from their fun to have a drink and pose for the camera. Water bottles and a search for a shady resting spot made the 90+ degree heat much more bearable.

• LEFT, RIGHT, LEFT •

Classmates Wyatt Adams and Mason Gibbons try to outdo Levi Davis and Alex Scott. The “Buddy Walk” was a new addition to Field Day and was a popular event among the students.
