

FIELD DAY

Fun in the Sun

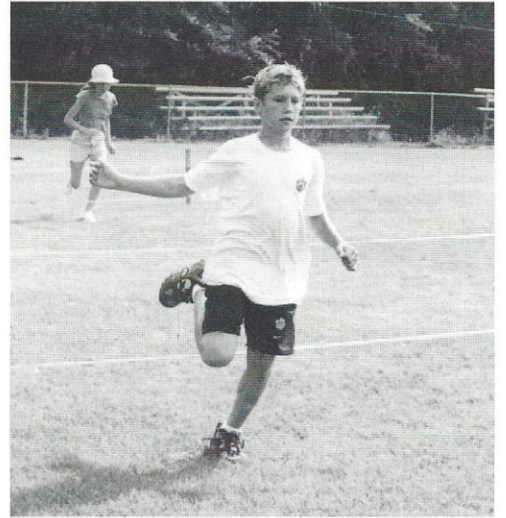

• HEAD 2 HEAD •

Seventh graders Raymond Matthews and Zealy Stevenson compete in the "Egg-Spoon Relay." This event took skill and composure because the students were not allowed to drop their eggs.

• LEAPS AND BOUNDS •

Sixth grader Damon Ammons makes his final leap to win one of the hurdle relays. Damon's athleticism was also present in the many other events he participated in.

• PIN ME UP •

Kindergartner Webb Yongue proudly receives his blue ribbon on Field Day. Though all ribbons were coveted, the blue ribbon was the most prized among all students.

• PRE-K PARATROOPERS •

These pre-schoolers enjoyed playing with the colorful parachute on Field Day. Not only was the parachute fun, but they also enjoyed the other activities the PTO planned for them.
