

we will still be friends forever.

Another turning point
 A fork stuck in the road
 Time grabs you by the wrist
 Directs you where to go
 So make the best of this test
 And don't ask why
 It's not a question
 But a lesson learned in time

It's something unpredictable
 But in the end it's right
 I hope you had the time of your life

So take the photographs
 And still frames in your mind
 Hang it on a shelf
 In good health and good time
 Tattoos of memories
 And dead skin on Trial
 For what it's worth
 It was worth all the while

It's something unpredictable
 But in the end it's right
 I hope you had the time of your life
