

Second Grade - Class of 2014

A HUNTIN' WE WILL GO

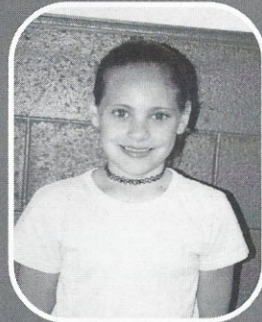

These second graders take time out of their busy schedule to pose for a picture on Camouflage Day. As a whole, this class showed great spirit.

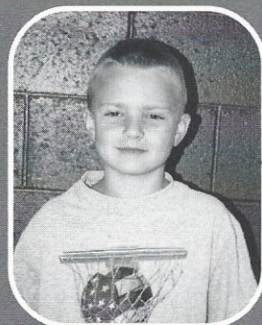

Who is your hero and why?

George Bush, because he lowered taxes.

Candace, because something fell in the pool and I fell in and she pulled me out.

Cocky, because he is the mascot for U.S.C., which is my favorite team.

HOWDY, PARD'NER

Sarah Coleman wears an oversized western style hat for Cowboy/Cow-girl Day. She was very spirited and supportive of her class.

LEARNING IS FUN

Levi Davis takes a well-needed break from his classwork while his fellow students continue hard at work. Second graders found school both challenging and fun.
