

Fourth Grade - Class of 2012

SEEING DOUBLE

Fourth graders enjoy taking part in Spirit Week activities. As usual, Twin Day was one of the most popular days.

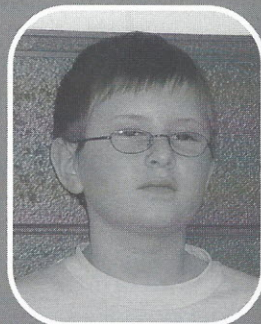

What's under your bed?

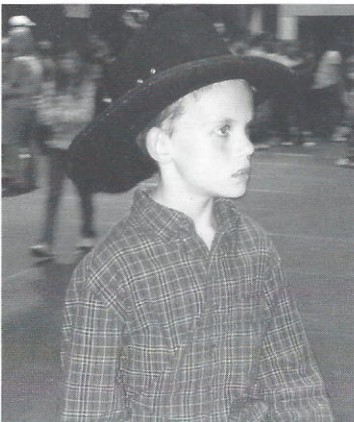

"Under my bed is nothing much. The thing I have under my bed are pillows, clothes, and shoes. There are definitely no monsters under my bed."

"...toys, games, dust, crayons, coloring books, shoes, trash, and stuffed animals."

"I have a secret stash of candy and a portable DVD player."

I WANNA BE A COWBOY, BABY!

Cowboy Zach struts across the gym floor in search of his cowgirl. Students of all ages enjoyed the annual junior class Square Dance.

CAN YOU SEE ME NOW?

Fourth graders go hunting for fun at RWA. These students showed their support for the football team incognito.
