

Seventh Grade - Class of 2009

CAGED

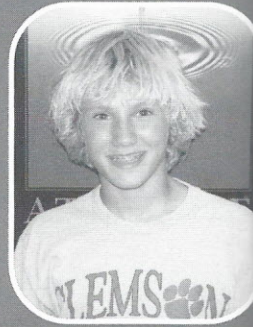

Middle school students join hands and circle around the bird in the cage, Caleb Chapman. Students and adults of all ages came for all the dancing fun during the annual Square Dance.

EAGLE PRIDE!

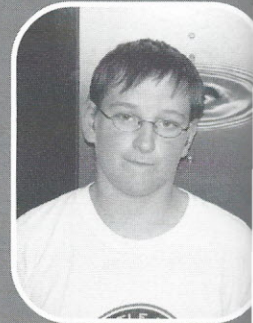

Keegan Johnson shows his school pride during Spirit Week. He, like so many others in his class, enjoyed the Spirit Week festivities.

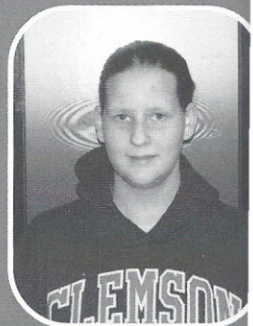

What is your favorite type of music and why?

Punk and Rap; it is cool skateboard to.

Country; it tells a story and has a meaning to back up the song.

I like Rock music because expresses my emotions, and makes me feel better when I listen to it, especially Linkin Park.

GIRL TALK!

These girls gather in the lunchroom with other students to talk over the latest school news. The short break between classes was a time to relax and unwind and re-fuel the body.
