

# Freshmen - Class of 2007

## SADDLE UP!

The ninth grade class works together in order to "stew the stallions." These freshmen enjoyed working on Homecoming displays during Spirit Week.

## THIS IS HOW YOU DO IT!

Rebekah Harkins shows some of her friends the "right" way to do a cheer at the Homecoming bonfire. Everyone seemed to have a good time on this festive evening.

## SIGN ME UP!

Daniel Porter, Ben Morgan, and Martin Caulder sign their names to the Eagle Code. This document was created to reinforce the importance of good character in each of our students.

What's your  
biggest fear?

... "being in a room  
full of rabbits."

... "growing old and  
being lonely."

... "dying before I get  
right with God."
