**make the  
DIFFERENCE**

**Why did you  
choose to teach  
at RWA?**

"...because my  
children were  
here and I  
wanted to be  
with them."

"...because I  
knew of the  
good reputation  
of the school  
and knew it was  
an opportunity  
to be in an  
environment  
that I would enjoy and be able to  
make a difference and work with  
kids of all ages."

"...because my  
children had  
started K-3 and  
I wanted to be  
with them and  
be able to be off  
with them also.  
I also chose  
RWA because of the family feeling  
and closeness of the faculty, parents  
and students."
