

# Get Fired Up!

## GO BIG BLUE!

Eighth graders Amelia Rosborough, Caroline McMeekin, and Captain Emily Mathews cheer the football team to a victory. Being some of the oldest members of the team, they displayed an immense amount of leadership.

## GIVE ME A BREAK

Zealy Stevenson takes a quick break from cheerleading. The girls used their breaktime to catch up on the game before they resumed cheering.

## MIGHTY CHEERLEADERS!

The J.V. cheerleaders do a push-up each time the football team scores a point. Since the football team was known for racking up the points, the cheerleaders were seen doing many push-ups throughout the season.

## SAY IT LOUDER!

The cheerleaders yell loudly to bring excitement to both the players and fans. Megaphones were occasionally used to make sure their chants and cheers were heard loud and clear.
