WE'VE GOT SPIRIT

The J.V. cheerleaders proudly display their school spirit by doing a cheer. Since the football team was very successful, the cheerleaders always had something to cheer about.

GET YOUR HANDS UP

Jenna throws her hands up and demonstrates a perfect stance. The cheerleading squad put in many hours of practice in order to perfect their skills.

GO GET 'EM

The J.V. Cheerleaders get the crowd excited before the football team leaves on their road trip. The football team was given a pep-rally because of their undefeated season and this was the perfect time for the cheerleaders to show off their skills in support of the b-teams.

SAY IT LOUD, SAY IT PROUD!

The J.V. cheerleaders pump up the crowd during a halftime performance. The twenty-two member squad was known for their enthusiasm and pride.
