NESTING WITH THE EAGLE

The basketball cheerleaders smile brightly during one of the many exciting home games. These girls did a fantastic job arousing the crowd during the season.

JUST CHEER IT

Senior Christa Branham and freshman Blair Little lead the rest of the squad as they cheer on the Eagle teams. The support shown by the cheerleaders and the crowd was greatly appreciated by the players.

PUMP IT UP

The group pumps up the crowd while the team is taking a half-time break. This was a perfect time for these girls to show off their skills.
